

## PRESS RELEASE

### IRELAND'S LARGEST ENGINEERING EXHIBITION

More than 300 exhibition stands, illustrating the best and brightest engineering projects, will be on display today at the **29th Cork Mechanical, Manufacturing and Biomedical Engineering Exhibition**, in the Nexus Hall, Cork Institute of Technology. The 2015 Theme is - "Engineering Design - Eureka! - CIT Engineering Innovation and Entrepreneurship". Entry is free and open to all.

The 2015 Engineering Design exhibition theme reflects the remarkable engineering design, innovation, and entrepreneurship achievements of the students. This success has been underlined by the 2015 and 2014 major international, and national, achievements of CIT student design.

Highlights include John Roberts' "PyraAid Wheelchair Enablement Device" and James Fogarty's "Design and Development of an Assistive Technology Music System." John won Student of the Year at the 2014 European Student Innovation Awards and James was the outright winner at the International Medical Engineering Finals in London earlier this year.

The 29th Cork Mechanical, Manufacturing and Biomedical Engineering Exhibition is on Thursday, April 30<sup>th</sup>; 2.00pm to 8.30pm, Nexus Hall, CIT. Entry Free.

**ENDS**
