PRESS RELEASE

CIT HOSTS ANNUAL POSTGRADUATE FAIR ON FEBRUARY 26th

Upwards of 1,500 final year, and other students, are expected to attend the annual Postgraduate Fair in Cork Institute of Technology on Tuesday, February 26th. The Fair takes place from 11.00am in the CIT Nexus Student Centre, in CIT's Bishopstown Campus. The event, which is free and open to all, is designed to help create an awareness of the Masters and Doctoral programmes that CIT and other higher education institutions have to offer graduates.

CIT Dean of Graduate Studies, Dr Eamonn Cashell, says that the Fair will be a showcase for the rapidly growing range of research and taught postgraduate programmes available to graduates.

"We will have representatives from many of CIT's academic departments and research centres showcasing opportunities in Business, Engineering & Science, Humanities, Music, Art & Design and Maritime. External institutions and organisations from across Ireland and the UK will also be attending."

The CIT Postgraduate Fair runs from 11am to 2pm on Tuesday, February 26th in CIT Nexus Student Centre.
